

Independent Schools' Qualification in Academic Management (ISQAM) 2024-25

1. Overview

This guidance document provides an overview of the *Independent Schools' Qualification in Management* (ISQAM) for Heads of Academic Departments (HoDs) and aspiring HoDs in schools of The Heads' Conference (HMC) and The Girls' School Association (GSA). The ISQAM is designed and delivered in partnership with the UCL/Institute of Education (IOE).

2. The Aim

The aim of the ISQAM is to:

- Improve standards in teaching and learning by providing training for Heads of Department, aspiring Heads of Department and other managers in the key practical skills that they need to perform their job
- Encourage the on-going continuous professional development of Middle Leaders
- Establish best practice and define sector-wide standards in relation to these skills, and
- Provide a qualification that is understood by schools and is portable between schools

3. The Structure

The ISQAM is a modular programme that operates at two levels:

- **Level One:** An introduction to some of the key skills required by HoDs:
 1. Improving learning through effective lesson observation and post-lesson dialogue
 2. Coaching approaches and challenging conversations
 3. Establishing and developing standards in student assessment, marking and feedback
 4. Employment issues and employment law

"It is a real pleasure to spend time with like-minded colleagues from a range of outstanding HMC schools as we collectively strive to be better at our jobs. ISQAM provides a great platform for professional discussion and development."

(ISQAM L2 Participant 2017-18)

- **Level Two:** Development of the key skills required by HoDs:
 5. Academic managers as leaders of learning. Making a difference to teacher practice and pupil outcomes
 6. Practicalities and innovation in curriculum planning and reform
 7. The use of data to improve pupil and departmental performance
 8. Strategic Planning as a Head of Department

Levels 1 and 2 are each standalone, though it is usually advisable for participants to complete them sequentially over a two-year period.

Pre-requisites:

- It is not a pre-requisite of the qualification to complete Level 1 before progressing to Level 2, although this is desirable
- It is a pre-requisite of commencing Level 2 that the participant has sufficient ICT skills, competence and experience in basic software packages and the use of the school management information system

4. Delivery

Each level of the ISQAM programme comprises of training sessions relating to each module, completion of an electronic portfolio of activities undertaken during the school year, and support from an in-school mentor¹.

Eight Level 1 clusters will run in the 2024-25 academic year

- 3 UK clusters will follow the “original” ISQAM model with 2 face-to-face training days (autumn term and spring term)
- 1 “virtual cluster” will be delivered via online sessions in the autumn and spring terms
- One blended cluster with face-to-face and online sessions will run in Hong Kong
- One face-to-face cluster will run in Scotland with bespoke content for the Scottish education system
- One face-to-face cluster will run in London for the Infant and Junior age range with bespoke content
- One face-to-face cluster will run in Prague (ISQAM Europe) with a focus on exploring wider perspectives in terms of academic leadership

¹ An in-school mentor, who may be an experienced HoD or the Deputy Head Academic/Director of Studies, is an essential part of the delivery of this course. **Mentors must have the capacity to meet with their mentees at least twice per term and should review their portfolios and add a supporting statement before they are submitted at the end of the year.**

Two Level 2 clusters are planned with one being face-to-face and the other online

5. Portfolio Review

All portfolios which are submitted before the end of July 2025 deadline will be reviewed to ensure that certificates are only awarded to those who have completed the programme to a satisfactory level. A sample of portfolios will be moderated by the UCL / IOE as part of this process.

6. Delegate Fees and How to Book Places

Fees are dependent on the programme model, and association membership:

Programme model	Total fee for participants from HMC or GSA member schools	Total fee for other participants
“Original” model clusters (2 face-to-face training days)	£650	£675
Online ‘virtual’ clusters	£499	£525
Hong Kong blended cluster	£650	£675

Fees include participant access to the training days / sessions for their cluster, an optional online training session for their mentor, online and distance-learning materials, support for participants and mentors from HMC during the year, and review and moderation of the portfolio and certification.
